

Using a laptop to search for the website of the Brandenburg Bibliothek, then digging into every page corner trying to get the link for the raumbuchung ??

having hard times searching for an intensiv kurs ? or want to know the exact time where you can apply for a DSH exam ?

you wish that you can ask some type of imaginary friend to answer you back ? anytime ? any given day ?

# Team Vision

This is the chatbot for Th Brandenburg :

a chatbot application to answer your questions at any minute !

whether you are a text person or rather call somebody directly through the phone, the Chatbot offer you a text-to-text or text-to-speech input .

using your microphone with one click you are able to ask the bot what you want !

whether it is about SpracheZentrum, Bibliothek, career Service, Mensa, Studienberatung or Prüfungsamt.. the chatbot is able to answer your questions
